Bell Cow Lake, Area C
341070 E 890 Rd
Chandler, OK 74834

<http://chandlerok.com/recreation/lakes>

General Information:

Join us for the 2nd annual NATRC competitive trail ride at Bell Cow Lake in Chandler, Oklahoma. We have well maintained, permanently marked trails that are easy and barefoot friendly. There is a nice mix of wooded and open meadow trails with frequent access to the lake for water on the trail. Helmets are required for all riders under 18 years of age. An Annual Membership is free in NATRC for those who have never been a member. Please visit www.natrc.org and sign up to be a member.

The secretary office will be open on Friday, November 2nd at 1 p.m. Check in with the judges will begin at 2 p.m.

The weather is expected (historically) to be fair but cool. However – be prepared for a wide range of temperatures and possible precipitation. This late in the fall things can change quickly!

A Negative Coggins is required on all equines in camp. Equines may be secured using any means permitted by NATRC rules. Please do not encroach on your neighbors' camp area. Tree savers must be used on trees. Canines must be leashed or confined at all times. (Felines do pretty much what they want, we know...) The campground and lake trails are owned by the City of Chandler which prohibits any alcohol on the property.

Camp Information:

This ride location has an excellent equestrian campground with permanent restrooms and showers. The equestrian RV campsites have electric and water. There is also primitive camping. Electric camping spaces cost \$20 per night and primitive camping cost \$10 per night. We have all equestrian camping spaces reserved until October 19, 2018, at which time we will release all spaces not reserved by participants. Electric spaces will be reserved for those who pay their full entry prior to October 19th. Please let us know if you need an electric space for Thursday, November 1st, and/or Sunday, November 4th.

Manure will be placed in the bins located to the south of the bathrooms past camping space 11.

Meals:

We are planning a pot luck for Friday evening (management is providing the meat). We expect to have a meal for all to purchase (\$8 each) on Saturday evening – pizza and salad from Giorgio's in Chandler – which was a huge hit last year! Key workers and management will be fed all weekend. Lunch for all will be provided for all workers and riders on Saturday and Sunday (sandwich makings and sides will be available at the pavilion in camp).

Directions:

There are blacktop, trailer-friendly roads that take you from the freeway to the campground. Entering “Bell Cow Lake Area C, Chandler, Oklahoma” on Google Maps will direct you to the equestrian camp. (Be sure you choose “Area C” which is on the south side of the lake.)

If coming from the West, take I-44 East (Turner Turnpike) to exit 166 for Highway 18, Chandler & Cushing. Once through the turnpike turnstile, turn left (north) on Highway 18, drive approximately 0.5 mile to 890 Road (look for the large baseball on a pole) and turn left (west) on 890 Road. Go west for 1.5 miles. The road will then fork – the main pavement will bear right – but stay on 890 Road straight ahead over the bridge for another 1.4 miles. There will be a large NATRC sign at the fork. The road will turn right (north) into Camp Area C.

If coming from the East, take I-44 West (Turner Turnpike) to exit 166 and follow the directions above. From the south via I-40, turn north on Highway 18 at Shawnee. From the north, I-35 to I-44 – although there are shorter and decent two lane routes turning east at Guthrie to Highway 18 (via Highway 33 or 105).

Entry Fees:

Adult “A” Two-day Entry	\$95	Non-member Adult “A” Two-day Entry	\$105
Junior “A” Two-day Entry	\$75	Non-member Junior “A” Two-day Entry	\$ 85
Competitive Pleasure “B” One-day Entry:		Non-member Competitive Pleasure “B” One-Day Entry:
